

Post Conference Session

Saturday, November 20, 2010 ⌘ The Denver Zoo ⌘ Denver, Colorado

NEW THIS YEAR! Post Conference Workshop on Colorado Academic Standards and 21st Century Skills!

Are you ready to use the revised Colorado Academic Standards for Science in your classroom?

Join us for a workshop designed to help K-12 teachers gain a deeper understanding of the revised standards and begin work in implementing 21st Century Skills of critical thinking, collaboration, self-direction, invention and information literacy in the science classroom.

Date: November 20, 2010

Time: 8:00 AM—4:00 PM

Location: Denver Zoo—Gates Wildlife Conservation Education Center

Cost: \$20, includes continental breakfast and lunch

Credit: 7.5 hours of CDE credit

Registration is available at www.coloradoscienceconference.org
